

USD 467 - REOPENING PLAN

Pre-Covid

In Person

Teaching and learning takes place in school buildings with no health changes or accommodations outside of normal cleaning. Building open for 100% capacity.

Low Risk

On-Site (Learning in Person)

Teaching and learning takes place in school buildings with basic health changes and accommodations to provide for a safe learning environment. Building open for 100% capacity.

Moderate Risk

On-Site (Learning In Person)

Teaching and learning takes place in school buildings with extensive health changes and accommodations in order to provide for a safe learning environment. Building open for 100% capacity.

High Risk

Hybrid (Learning in School and at Home)

Students will learn in the buildings either Monday/Tuesday or Thursday/Friday. The buildings will be deep cleaned on Wednesday. Days when students are not in the buildings, they will do remote learning from home. Building open for 50% capacity.

Pandemic

Remote (Learning Done at Home)

Students will receive instruction and complete coursework while at home. Time spent on coursework at home will be the same as if they were at school. Daily logs will be required to show time spent learning.
